

Weddings at La Herriza

LES & NURIA 2006

As we finally settle back into our life in Seattle, we wanted to write to thank you and the rest of the team at Hacienda La Herriza for putting on such a wonderful set of events around our wedding.

Everything was truly beyond our expectations, and everyone had an incredible time enjoying Gaucin, the pool, restaurant and all of the various events. It really was a magical few days, in large part thanks to all of the efforts of yourself and the staff.

We particularly wanted to let you know that certain people really stood out in their efforts, namely Jose who simply seemed to be everywhere he was needed, Gino who was extraordinarily accomodating, Neil who was the same, and I believe it was Barbara, one of the two Polish ladies who worked in the restaurant and was quite friendly through it all. Please pass our thanks on to those people in particular, as it all would have been impossible without their help.

BEN & CATHERINE 2007

I just wanted to drop you a note to say how thrilled Ben and I were with how the wedding went last Friday. All the guests thoroughly enjoyed themselves and were overwhelmed by the standard of the hotel, accommodation, food and staff.

The organisation of our special day was impeccable and we are both so pleased that it was such a success.

A huge thank you to all of you at Hacienda La Herriza, with special thanks to yourself for being so helpful and organising a wonderful day for us and to Neil for the wonderful food he provided. The setting was perfect and way the courtyard was set out for the banquet was absolutely fantastic.

All in all, the whole day was exactly how we wanted it and everyone who was there will remember it for a very long time. We will definitely be returning for a relaxing break in the future as will most of our guests!

Congratulations on your fabulous wedding package and we hope every bride and groom is as thrilled as we both are!!

PAUL & KATHRYN 2007

Kathryn and I would like to thank all the staff at Hacienda La Herriza for creating our perfect wedding weekend. Our guests all commented on how beautiful the hotel is and all seemed to enjoy the ceremony, meal and the ensuing party. I didn't manage to catch the names of all the staff who contributed to the day but all we came in contact with were more than helpful. We would like pass on our thanks to all the staff including Neil, Antonio, Jose, Christian and of course yourself. Again thank you for making our special day just how we wanted it and we hope to see you again in the future.

JIM & JANE 2008

Just thought I would drop a quick line to say thanks once again for making last weekend so perfect - feel free to use this comment for your website.... am back in the dreary UK now, looking at photos of orange trees and swimming pools and feel like it was all just a beautiful dream. To anyone thinking of having a wedding at La Herriza - DO NOT HESITATE - the food is fabulous, the location outstanding (and well worth braving the hairpin bends) and the whole event will be one you will never forget. Many thanks to you all.

GARY & LISA 2008

Gary and I would like to express our sincere thanks for a fantastic wedding venue. The hotel is such a lovely venue and we wanted to show our guests a part of real Spain. Most of our guests have expressed a preference to return with us to celebrate our 1st Anniversary! The food, staff and service was impeccable.

EOIN & HILARY 2008

Eoin: Sorry for not getting in touch sooner; we're just back from the honeymoon and struggling under the weight of email inboxes.

Thanks again for the lovely weekend. The setting is beautiful and the attention to detail and care given by the staff was exemplary. Let us know if a comment anywhere would be useful as we'd certainly recommend La Herriza to others.

Hilary: Just to echo what Eoin said, a massive THANK YOU to yourself and all the staff at La Herriza for such an amazing weekend! Everybody had a brilliant time, we all loved it. Loads of people were saying that it was the best wedding they'd ever been to, which I'm sure is mostly due to the beautiful, special location.

DAVID & MICHELLE 2008

It's about time we wrote to thank you and your staff for such a wonderful few days at La Hacienda Herriza last June.

You showed amazing patience leading up to the wedding - with all of our requirements, and made the planning process enjoyable and relaxing.

The level of hospitality leading up to the wedding for our family and friends was fantastic and the wedding day itself phenomenal.

Your location in Gaucin is so perfect a setting, and combined with the food, and hospitality and attention to detail we had the most special day.

I just cannot speak highly enough of all the effort that you and your staff put into our very special day and would recommend La Hacienda Herriza to anyone.

LIN & KIM 2009

We just wanted to thank you, and all the others at La Herriza, for making our wedding absolutely fantastic. We had an amazing day that we will remember for the rest of our lives. Can you please pass on our gratitude to Christian as well? He was so professional, serviceminded and friendly and played an important part in making our day/evening so unforgettable.

Have a lovely summer!

DAVID & SARAH 2009

Just wanted to write a note of thanks for everything you and your staff did for our wedding a few weeks ago. It was an amazing day and everyone at La Herriza helped make it perfect. I'll send some photos over so you can decide whether or not to include them in your digital photo frame at reception.

DAVID & AMANDA 2010

We would like to say a huge thank-you for the organisation of our Wedding on the 4th August. It was such a fantastic day that ran very smoothly for us and our guests. The food was delicious, the accomodation was excellent and all of the staff were friendly and extremely attentive. The venue is stunning, as everyone commented, this is truely a place we will treasure forever and we already look forward to our return visit next year.

Our thanks again and warm wishes,

NEIL & MELODY 2010

Apologies for the delay in sending this email. Neil and I had a cracking honeymoon in Sri Lanka and the Maldives and then launched straight back into a gruelling first week at work. I wish I could turn the clock back 1 month and live September all over again! I now finally have the afternoon to sit down and send out some well-deserved thank you's and I thought I had better start with you.

I honestly don't know how to put into words how happy we both were on our wedding day. You could probably tell from the massive grins we sported throughout! Everything was just the way we wanted it to be. Your staff were so sleek and professional, they really are a credit to the hotel. You know we love Simone! But we would also like to thank Christian, Juan and the rest of the team for their note-perfect service. It wasn't just us who had a wonderful time; many of our family and friends have said it was the best wedding they have ever been to - which is what every bride wants to hear! The whole setting with the view and the sunshine would just not be possible anywhere in England. It was a uniquely wonderful experience for so many of our loved ones to spend the weekend together, relaxing, mixing, making new connections. We were so pleased that the group as a whole got on so well. I can't imagine that many of us will have the opportunity again to attend a wedding where we are relaxing in bikinis by the pool an hour before the ceremony.

We also had lots of compliments on the quality and generosity of the food and drink - but we were fully expecting that having sampled beforehand! So we would be grateful if you would also pass our thanks and regards onto Neil.

Last, but by no means least, we'd like to thank you for pulling everything together so seamlessly. And for holding me up at the end of the night when I'd had a few too many!

DEREK & DYMPNA 2010

Hope you are all well and many apologies for not having responded before now. I thought I had but discovered I had not so sorry about that. We had such a wonderful few days at your beautiful hotel, all the guests are still raving about it, the area and the beauty of it all. I would like to thank you very much for the way in which the day itself went, it all went so smoothly and everything was executed to perfection. You have a wonderful team of staff. The small amount of rain only added to the entertainment of it all! Irish and UK people are never bothered by rain, we cant be as we have to put up with a lot of it!

We are all still talking about the wonderful time we all had and you and your fantastic staff certainly do a fantastic job!

STUART & MELANIE 2010

I wanted to drop you a quick note to say a massive thanks for everything after the wedding. We keen having flashbacks on what an awesome and special time we had!!! We have now moved to Hong Kong and look forward to returning some point soon...

TOM & JESSIE 2011

Dearest David, Marco, Christian, Phillip (sp), Antonio and all la Herriza Familia, This is just to try and express my HUGE gratitude for making Jessie's and Tom's day the Royal Wedding of the year and for so graciously and lovingly taking care of all of us throughout its preparations and our stay. Truly I cannot express how wonderful you all have been and how much every single person who came enjoyed themselves... so many have written me to say that especially.

La Herriza is now a part of our lives with memories which we will cherish and make us happy always – and we have each and everyone of you to thank for that.

GARY & KATHARINE 2012

We are now back from our honeymoon in Mauritius and I wanted to thank you and all your staff for looking after us so well. We really had a wonderful time and so did all our guests, who thought the hotel and its setting were fabulous. Everyone also said how delicious the food was and many said that it was the best wedding food they'd ever had!

Thank you once again and we look forward to returning next year for our anniversary.

TOMMY & CHRIS 2012

Chris and I wanted to thank you for the wonderful wedding ceremony and feast. The guests were extremely impressed with the location, service, decoration, accommodation, staff and quality of the food. Please extend our thanks to Gino and everyone else who helped out. You really delivered a first class wedding package!

We really had a great time and will definitely recommend your services and venue to all our friends.

Thank you for everything and we wish you all the best.

LUKE & KATIE 2013

We, and everybody else, had a fantastic and memorable time. We have had great comments on the food and the staff (Marco, Philippe and the two young lads behind the bar were really great), dj Pedro and the star of the show...padre Peter who is wanted back in the UK for a few weddings now I think!

Thanks again for everything and we will definitely be back. With mum and dad in the area we are often there for holidays.
